CAWG and NAWG: Bringing Your Voice to the U.S. and State Capitols

The Colorado Association of Wheat Growers (CAWG) and the National Association of Wheat Growers (NAWG) are YOUR VOICE with legislators in Washington, D.C., and Denver, Colorado. No one else is bringing the interests of the wheat grower to their attention.

Do you support that voice? While you likely pay a wheat assessment, it does not automatically make you a member of CAWG. By law, assessment dollars may not be used on legislative activities. Given the current issues, we need your support!

Your \$100 per year membership keeps the voice of wheat strong in Washington D.C. and in the state capitol in Denver.

Your Voice at Work for You!

CAWG and NAWG have lobbied on your behalf for:

- Continuation of the CRP program.
- Maintaining ag tax exemptions in Colorado.
- Crop Disaster Programs. We won Congressional approval for crop disaster programs in 2001, 2003, and 2004, and inclusion of a new permanent disaster trust program (SURE) in the 2008 Farm Bill.
- 2008 Farm Bill. We kept the same direct payment rate for wheat and increased the loan and target rates.
- Rail Competition.
- Funding for Continued Wheat Research.
- Free Trade. Agreements with Colombia and South Korea are pending.
